"And that's just how it is!" quotes Mr. Summers (above) as he discusses the exciting history of America with his brillant class, while showing his students (below) their grades. Gazing with surprise are four of his pupils, from left: Mary Shultz, Scott Reddy, Tim Bordner, and Shan Wilmarth.

### School Pays Tribute and Men of the Mind

In our era the epoch seems to be the repudiation of the mind. It is no longer "cool" to be a man of the mind. A teachers job is to teach, and it is indeed thankless. The teacher who teaches well is often unrecognized and unappreciated. The teacher who has the ability to transend the barriers of his position, and become a paragon of education, lives a daily world of frustration and anguish, as his efforts go unrewarded. We herewith offer our esteem to one such man; Mr. Vannie Summers. If one is willing to take but a small step toward him, he will provide the stimulus for the dedication to reaching one's full efficacy. His reward is intelligence, and the signs of intelligence shown by young developing minds. To attempt to show our gratitude, we hereby dedicate this yearbook to Mr. Vannie Summers - a man of and for the mind.

Just as a challenging teacher is necessary to the classroom, an enterprising businessman is vital to the functioning of the school. Born in Paris, France, Mr. Andree Messali has lived and traveled throughout the world. He is now managing the Warrior Trading Post. There he provides students with quality products at low prices, handles all the finances for virtually every school function, helps with the class ring selection, and the list goes on ... Working behind the scenes at all hours Mr. Messali revives Warrior spirit and enthusiasm whereever he goes. Dedication and enthusiasm such as Mr. Messali has exemplified for the past seven years are rare. We would like to show him our appreciation by co-dedicating this yearbook to Mr. Andrei Messali.

3-2 Record Obtained in League Play in

Spite of Bad Luck

Doing a new dance, the punter's pigskin prominade, is Lyle Brandt. Actually he's trying to boot Westwood out of trouble.

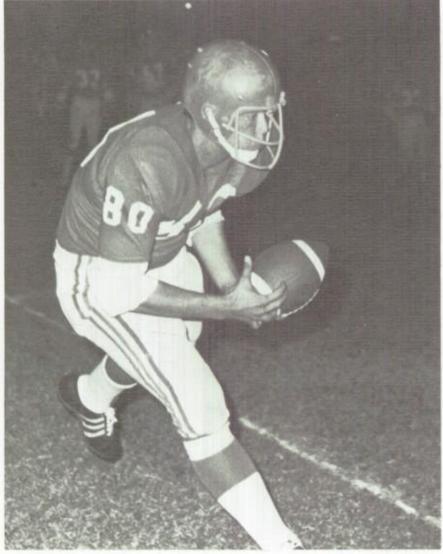

"#!\*?\*. Caught again," curses Frank Wright as he makes one of the many carries that made him one of the top ten carriers.

"Where did all of my receivers go?" ponders quarterback Mike Steiner as he starts back to throw a long bomb.

## School Spirit Remains High Through an Under Par Season

Above: Returning a punt isn't the easiest way to make a touchdown but Robert Coyer tries in vain anyway. Below: Dashing toward the goal line, Frank Wright makes one of the many important carries that brought Westwood to a victory against Coronado.

There are good years and there are bad years and then their is Westwood's. From the first few plays of the opening game against Maryvale, it appeared to everyone that Westwood was going to have problems. And problems they did have, which was shown as they racked four consecutive losses. But still the students didn't give up and their spirit remained high Then, Westwood managed to humiliate Yuma 48-0 and things started to look better. The next thing the team knew they were playing the McClintock Chargers for the league crown. Westwood's efforts fell short, but it wasn't a bad feat for a team that wasn't even rated.

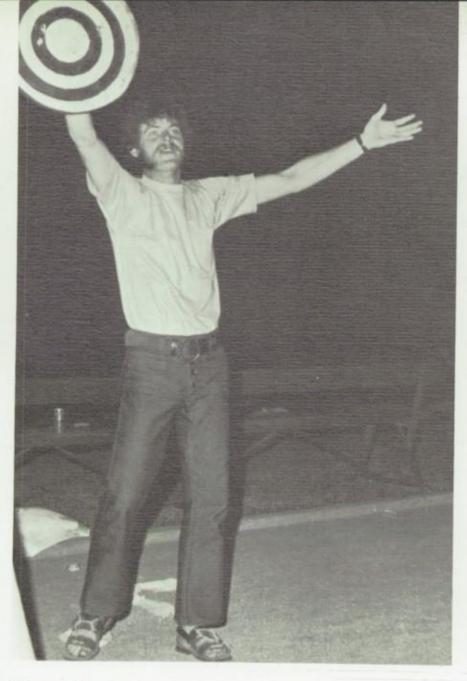

Despite this bad season, many players proved to be outstanding. They included Sterling Bonner, James Williams and Frank Wright-Frank being one of the states top ten carriers.

With the look of agony on their faces, Coach Jolly and Bill Sullivan grimace as they witness another heartbreaking game.

"Everyone is trying to get into the act" said Jimmy Durante at one time, and at the Tempe game some unidentified spectator tried to do just that!

The spirit cannon didn't go off too often this season but Dennis and Jay shot off as many shots as possible this year.

#### Mesa Falls Twice to Apache Gridders

Above we see David Gilitiuk trying to out maneuver his opponent as he heads for the goal to make another touchdown.

With alot of hard work and determination the Apache football squad of Westwood showed all who would watch, how a non varsity team can play football and play it well. Rolling out a 5-3 season, the team worked together. They beat Mesa High twice, which was quite an accomplishment. The games they did lose were by no more than two touchdowns. Along with their good season was another great accomplishment-they beat the Saguaro J.V.'s. This team was undefeated until the Westwood Apache men spoiled their previously unblemished record. No other team but Westwood was able to beat the Saguaro J.V.'s.

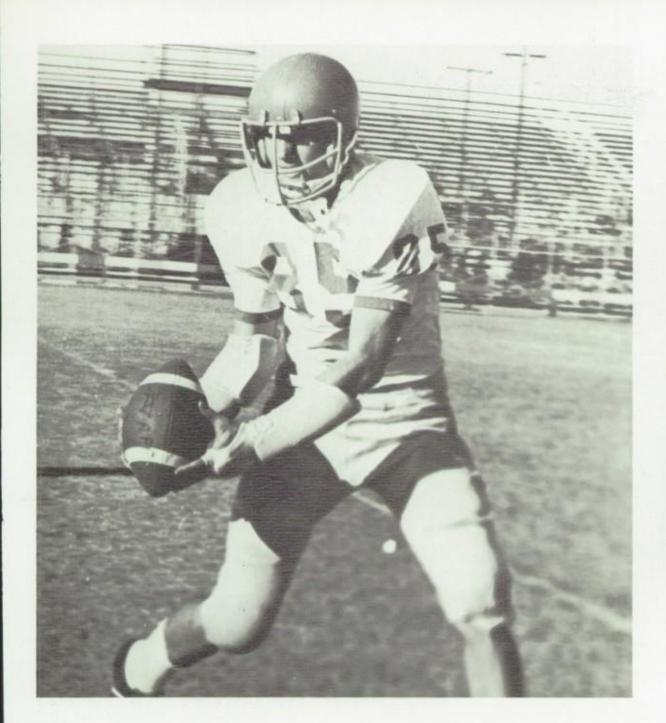

All players proved to be good, but a few of the outstanding gridders included Gary Roach, Scott Smith, Mike Rizzo, Dave Gilitiuk, and Danny Gonzales. Most of the Apache gridders are expected to do better next year, and many should be seeing alot of action as varsity men next year.

#### Up to Varsity Team

With the pleasant sound of the cheerleaders and a few enthusiastic supporters, the spirited JV football team enjoyed another fairly successful season. They won four, lost three, and fought long and hard for a tie. This may seem mediocre, but if one considers how many JV players were moved up to the varsity squad during the season, coaches Foster and McNaughton did a great job with what they had left. There was a total of ten players that moved up to the varsity squad. After these ten JV gridders moved up, the J.V.s wound up losing a hard fought game to McClintock by two points, and then they lost to Coronado. They finished out the season with an easy win and a disappointing loss.

## New Course, Senior, Sophomore Records

Set by Thinclads

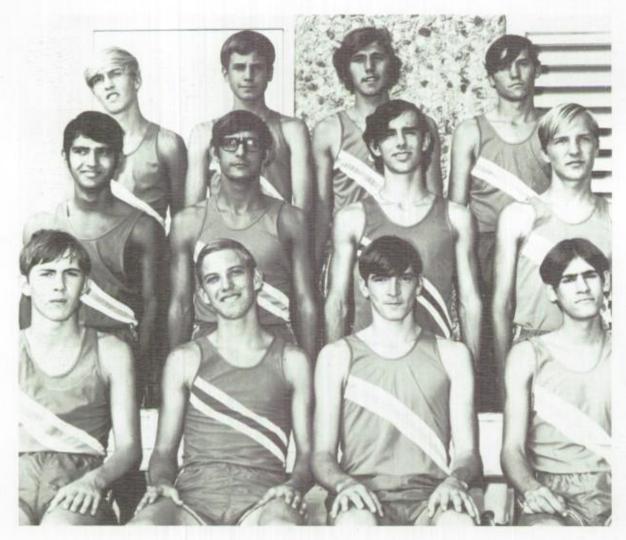

Record Breaking Race! In this race, three runners broke the course record and the sophomore and senior records.

Records are meant to be broken and that's just what happened this year when the cross country team set their sights on having an unblenished record in dual meet competition. Not only did they manage to win all of their dual meets, but they did so while running at two different locations and two different distances. Usery Pass and our own home field proved to be the various sites where the thinclads showed their stuff, and the distances of both two and three miles were easily conquered.

Both the senior and sophomore records were broken by Mark Tau and Mark Foster respectively while Dick Luebke not only broke the senior record, but the course record as well.

## Warriors Take League; Division Titles; Take Second in State

It's amazing, the team that was suppose to fold because they lost most of the starting five the previous year, may just have used this motive to achieve the highest place in the state finals that the school of Westwood has ever seen, not to mention the league and division championships.

Not only did Westwood produce this fantastic team that finished second in state but it also saw some of the better individual players the school has produced in the past few years. To match the dominant figures of Jim McClelland and Mike Taylor came Andy Shumway. Andy was first team all-conference and first team all-state not to mention his outstanding player award in the Christmas Tournament. Along with Dave Royse (who was second in both of these), Lyle Brandt, Frank Gonzales, and Jerry McClelland the Warriors couldn't miss, and didn't.

Straining every muscle in his body, Jerry McClelland tries to break away to score an easy two points for the Warriors.

Making a quick pivot, Andy Shumway evades a Saguaro guard. Andy's many talents made him one of the states leading players.

Taking aim, forward Lyle Brandt carefully lines himself up to gain another two points by sinking an outside shot.

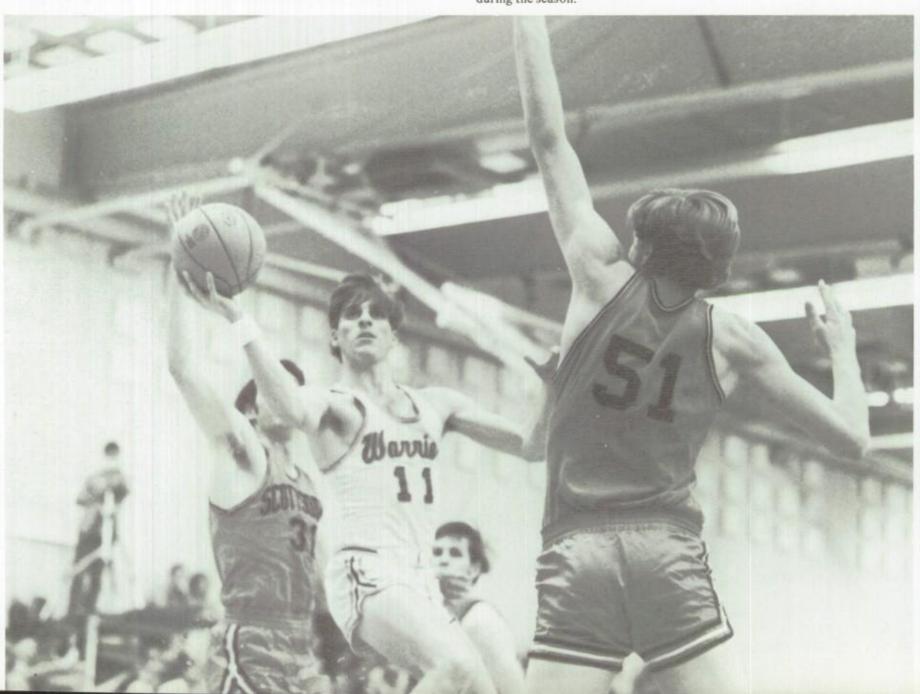

Spirit'. That's the name of the game. And thanks to the band members who provide it, the games are a lot more exciting.

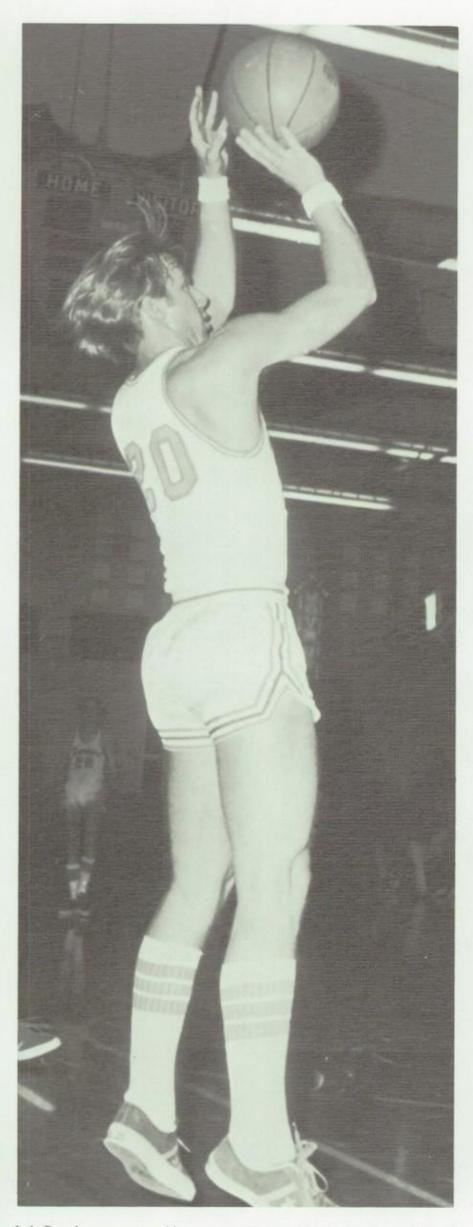

### Warrior Casers Do a Fantastic Job; Beat Almost All

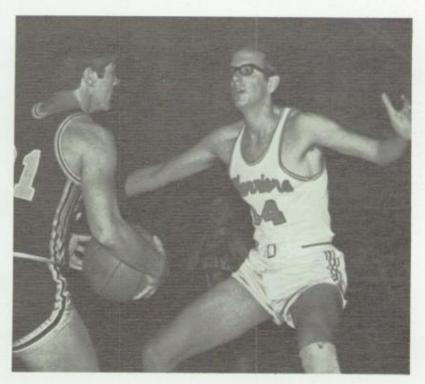

Above, stretching as far as his body will let him, Frank Gonzales out jumps his opponent and taps the ball to a fellow teammate. At right, Coach Franks gives his tired dribblers some encouragement. It was Franks' new systems that helped the Warriors attain the successful season they had. Below David Royse takes a one handed shot while still in the air. David made this a habit during the season.

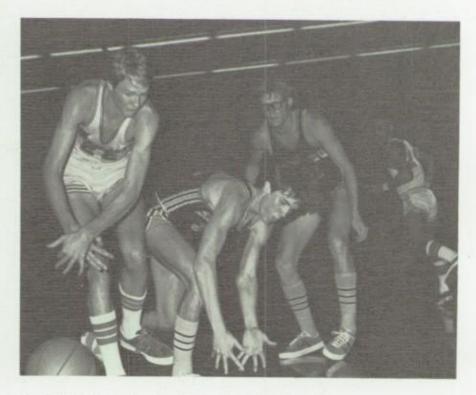

Lyle Brandt prepares to add two more points to the Warrior score, with one of his more common 15 foot jump shots.

Top Right It's another bucket for the Warriors! This was a common sight this season. Above Middle, Jon Eskey is either blocking a Sabercats shot or preparing to give him a hug. Directly Above, Cager Andy Shumway seems to be playing a game of "Button, button, who's got the button," or should we say ball?

### J.V. Cagers Demonstrate Good Skills,

#### Despite Off Season

Behind the spotlight of the varsity and under the helm of first year coach Ned Jolley, the J.V. basketball team worked their way through a very difficult season that took a lot of hard work and had a lot of ups-and-downs, and in the end, the final results were a 5 win and 15 lose season.

On the contrary though, the season did bring better results than the record reads, the reason being that they did manage to hold the scores very close in most of the loses and also many of their scores ranged in the high 50's and 60's which is impressive for a junior varsity team.

Some of the more noticeable standouts on the squad were Chuck Kinard, Dave Rodgers, and Scott Smith, all sophomores, and along with junior Mark Riggs they added excitement throughout most of the season.

# Grapplers Put the Hold on Opposition; goes without saying that Westwood comes up with some Six Trek to State

It goes without saying that Westwood comes up with some of the best wrestling teams in their division year after year. And this year's team was no different as they proved capable of falling into that catagory once again. Although the Warriors did not finish as high as they would have liked in the divisional meet, they were as tough a team as there was to be found, the proof of this being that they knocked off the number one and two teams of the divisional meet during the regular season. Another bright note for the grapplers was the fact that they did manage to send six men or half a team to the state meet in Tucson. They included Joe Elsperger, Craig Brinton, Richard Moody, Dave Gilitiuk, Leo Flake, and Keith Magnusson.

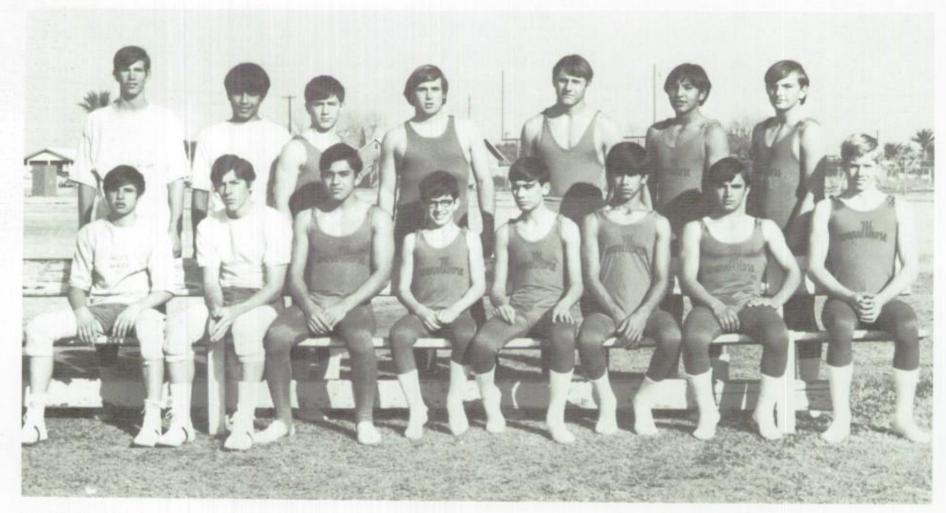

The Warriors did end up with a satisfactory 6-3-1 dual meet record with one tournament victory during Christmas and one second place in the Alhambra Invitational.

Keith Magnuson tries desperately to pull his opponent back onto the mat. It seemed Keith found this a major problem throughout the year.

Even so, he managed to have a 14-0 regular meet record.

Musclemen Leo Flake and Steve Gilituik practice a few holds on each other. Both grapplers represented Westwood in state.

## Many Gymnasts Fit to Make Individual State Competition

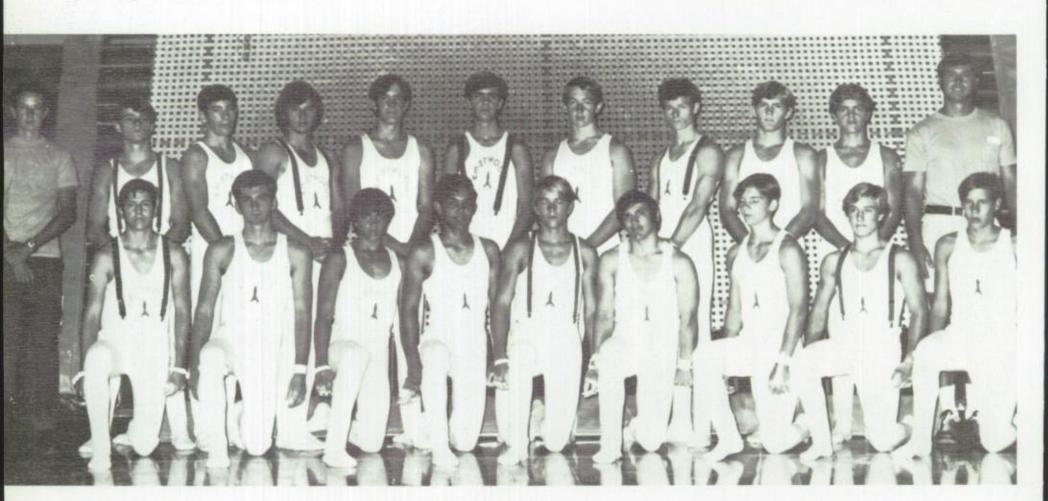

After two years of practice and determination, Senior Jeff Cross is shown performing the Russian Lift on the side horse.

This years varsity gymnastics team has been left with only four seniors-Steve Price, Fred Slade, Jeff Cross, and Danny Drew, plus nine juniors. The other half of the team is all sophomores, several of which are outstanding first year men, which leaves the team at about the same strength as last years team. There are several performers that are capable of getting into the individual state meet. Among them is Steve Price on the horizontal bar; Danny Drew on the side horse; and Logan Valentine on still rings, parallel bars and horizontal bars.

The gymnasts had many tough teams on their agenda this year. Among them was the 1969-1971 State AAA Champions, Coronado, and several tough teams from both Tucson and Scottsdale. Despite all the setbacks this year, the gymnasts did post an excellent season for such a young team of competitors.

With his muscles bulging in all directions is Sophomore Regis Reed as he demonstrates a straining and difficult "L" Support.

Bars, Beams and Bending All Part of

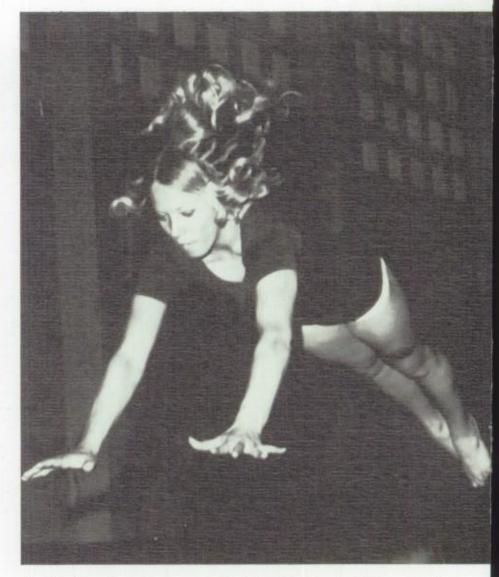

Girls Gymnastics!

Being number two has made Avis try harder, and the girls gymnastics team feels the same way. With the title of state runner-up for the last two years behind them, Mrs. Crutchfield and her group of jumping gymnasts are setting out to climb that one step on the ladder that will make them number one.

Although the team consists of mostly underclassmen, (only two seniors to be exact), the talent is still as impressive as a group of graduates. Practicing four days a week, either before or after school, all year round, these energetic gals are determined to become and stay the best. This can, and more then likely will happen too. With ten promising sophomores and eight outstanding juniors, Westwood should have at least one team coming home with the title of first (not second but first) in state, for the next two years.

Demonstrating the easy but important forehand swing is the number one player, Mike Van Zutphen. He has been on the varsity squad for three years.

#### Boys - Girls

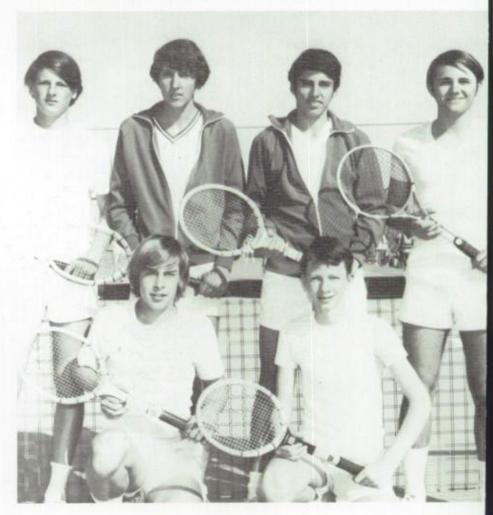

Who really got into the swing of things this year? Yes, it was the girls tennis team, sponsored by Miss Munoz. Pam Giroux was the teams only returning player and would have been no. 1 if she hadn't gone through serious knee surgery. The top five varsity players were Theresa Kuhse, Diana Shelley, Karen Pruitt, Debbie Fowler and Pam Giroux, respectively.

The boys tennis team was sponsored by Mr. Hawkins. According to him this year was classed as a "rebuilding year", to develop all the potential found in Westwood high boys. The top five varsity players were Mike Van Zutphen, Grant Woods, Richard Ray, John Reed, and Wick Richard.

## Desire and Will to Win Highlight Golfers

### Dreams for 1972

Coming off an exceptionally good seventh in state in the 1971 season, this years golf team found it hard but fun to get back in the swing of things for the "72" season. With six returning lettermen in Jim Moon, Ty Tibshraeny, Robert Robb, Mike Infalt, Eddie Standage, and Phil Stapley, head Coach Reid had good reasons for expecting a successful season. The team had its regular tough schedule and it took a lot of hard work and long hours on the course to keep the team at its best. One of the things that kept the team going at this strong pace was its desire and will to succeed. The players were always competing as strong as possible against themselves as well as their opponents. They were always trying to better their own scores and to improve their own games by continuous practice and the will to succeed. Without a doubt, these and many other things contributed to the great success of the team.

Drive for distance, thats the name of the game and Jim Moon can take his Number one wood and slam the ball with the best of them.

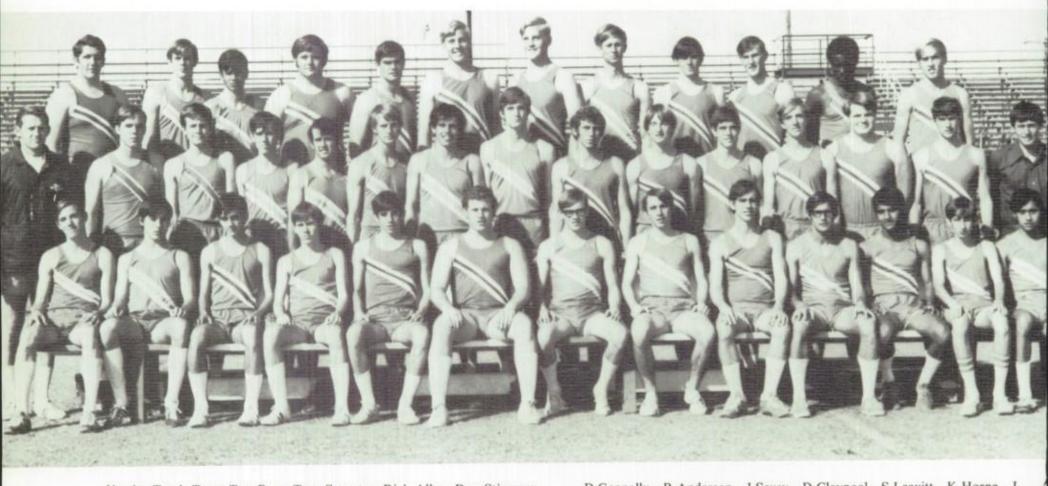

Trying to get out of the sand trap is hard and isn't much fun to do. Above we see returning letterman Mike Infalt trying to hit his golf ball out of the dreaded sand trap. Above right: Demonstrating one of his easier putts is junior Rick Newth. Putting is a very important part of golfing and demands alot of concentration.

Coaches McNaughton and Berryhill have good reason to be proud of their tribe. Despite early season problems, the Warrior track team got off on the right foot and came on strong to prove to be one of the toughest teams around the state. The fleet feet and super field men proved that the graduation of a number of outstanding seniors would not be the downfall of this years team.

The field events came on as a surprise with exceptionally strong performances from such individuals as seniors Jeff Stout and Tom Sumpter in the weight divisions. Lyle Brandt and others supplied the power in the jumping events. On the track the tribe was again dynamic, as they have been in the past. With juniors Dwaun Stewart and Dale Connolly running at full tilt, it was quite difficult to match the Warrior spirit and drive. Dick Luebke and Mark Tau filled the distance spots to round out the fantastic Warrior team.

Taking some time out from their busy practice schedule, these two thinclads set up the high hurdles, for the next race.

What comes up must come down, and that's just what long jumper Lyle Brandt is about to

### "Topless Tankers" Splash Towards Wins;

With many returning letterman and strong beginning sophmores the Warrior Swimming team entered their season with a big splash.

The reason for these great happenings were the super swimmers who helped achieve the 5th in state last year and a 1st the year before. Bruce Tomlinson, Don Hendrix, Doug Vance, and John Gililland were all individual success stories themselves and along with sobhies Steve Fassett, Dean Gardner, Todd Klientz, and Dave Wade it was no wonder that the Warriros were bound for a good season.

Along with the success of the swimmers the divers added alot of excitement. Under the direction of Coach Cummins, Craig Powell, Dan Drew, Kevin Rhodes and sobhie, Doug Oakley performed their dives to perfection.

# Female Athletes Show Swinging, Spiking and Shooting Skills

If by chance you happen to meander past the girls gym or softball field 6th period or after school, you will probably observe the unmentioned part of the Westwood athletic program. They are the girls badminton team coached by Miss Shields, volleyball headed by Miss Davis and Mrs. Crutchfield, and the archery squad also under the leadership of Miss Shields.

Leading the trio of female athletes are the mighty bird flipping badminton players. These girls have managed to have an undefeated regular season for the past two years.

Next on the agenda is the super spiking volleyball team. Despite some setbacks, these girls managed a couple of important victories, one being over the Coronado Dons. They came up from a 11-3 deficit, to upset the highly ranked girls.

Lastly is the sharp shooting archery team. Although the girls suffered heavily from graduation and from seniors who were unable to participate, they still managed to stay strong throughout the season. Top shooters were Nancy Annala and Sarah Freeman.

Left: Astounded by the strength Kellie Jones used to return the ball, volley-ball teammates Sally Marks, Gayle Schuster, Marilyn Foley, and Jill Fisher look on in amazement. Below Gayle Schuster shows the form that made her one of the leading servers.

# Hard Work, Deadlines Plagues Staffers

Deadlines! Wow were there enough of them and the members of the yearbook staff meet all of them. How? With plenty of hard work and determination to make this the best yearbook that the students at Westwood have ever seen.

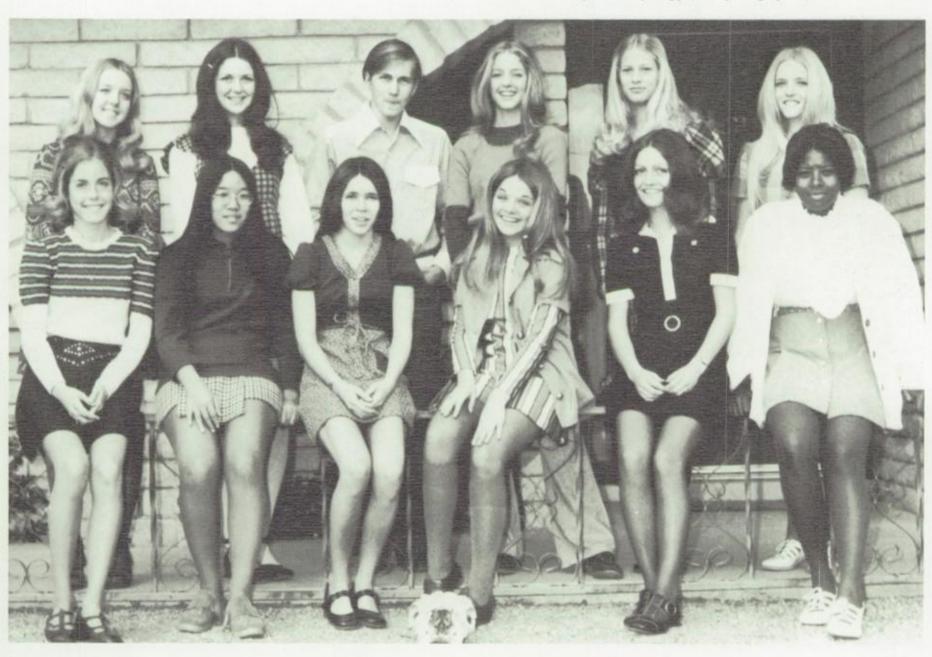

Putting out a publication that is representative of the whole student body is a hard thing to achieve. But once again the students of Westwood will be able to look back years from now at the "72" yearbook and relive fond memories.

Yet putting out a yearbook has a lot of rewards to it. For instance the pride you feel when you see the pages you relentlessly worked on in print. Or knowing that what you've done will be seen by the entire student body.

Yes, the staff has had it's good and bad times, but on an overall view this past year was pretty good!

# WHS Clubs Perform Useful Services

Key Club gave their own time and service to help others. At Christmas time the boys sponsored a toy drive to help needy families. Various other fund raising activities during the year were the Student Directories, Key Club Activity Posters, and putting a jute box in our cafeteria to provide music for students throughout the school day.

Another hard working service club for many activities going on this past year was the Octagon Club. These members along with the sponsor, Mr. Millard Conover assisted in booths for "Join a Club Week" and "Night on the Town." Octagons main goal was to promote optomism in the community.

Tohyah is a magazine put out by Westwood containing student work exclusively. This year being edited by Becky Fritz, they collected short stories, essays and poems from the students here at Westwood.

### Helping Westwood Is Goal of Clubs

Helping Westwood out this past year was the main goal of two of our great clubs. The Letterman's Club, which is composed of boys that hold letters in competitive sports, worked hard to increase their membership. If any boy was interested he had to have good grades as well as lettered in a sport. Another factor which was important to the club was that of their advisor, Coach Pico.

Leo Club was the other hard working club. They sold popcorn at games, sponsored Leo Club Week, as well as providing money to scholarships for worthy persons. Acting as their sponsor this past year, Mr. Dodez kept them going with his words of encouragement. Congratulations are in order for both clubs who did a bang-up job.

### Tea and Formal Are Highlights of Year

at Westwood

Success seemed to be the key word of the activities which both Boys and Girls League planned. Girls League held the Daddy-Daughter Date and Mother-Daughter Tea, which brought parents and students together. The girls also held fund raising projects and gave it to the Seventh Step Foundation. Boys League sold pop and popcorn at games to raise money for their activities. Teaming together both leagues went on a snow trip and sponsored two formals. The Boys League sponsored the Christmas formal and the Girls League sponsored the Coed.

Helping to support the Girls' League tradition of selling popcorn at activities are Carol Johnson, Jim Bird, and Leslie Loquidis. This was one of the many ways Girl's League made money.

# Concentration Is Key to Groups Success

Constantly going to the library and searching for information from many sources, was a favorite past time for this year's Speech Team. Helpful sponsors were Mr. Johnson and Mrs. Huffaker, who successfully developed the club members speaking abilities. They traveled to many schools throughout the year including, Brophy, South Mountain, Maryvale, and Arizona State University. Many of the Speech Team members were named outstanding for their work in the speech tournaments held.

A great experience for the more intellectual students was this year's Chess Club. This stimulating hobby which requires much skill is becoming increasingly popular. This year Chess Club was headed by Mr. Scannell. His advice this year was "Concentration key to victory." This club met every morning throughout the year and competition was with fellow classmates.

Preparing students for different fields of work in the future was the main idea for this year's VICA. This club met every morning, A-period, with their sponsor, Mr. Jones. After attending school for three or four periods, the members went on to their assigned jobs. The VICA program was set up for those interested in going on to a specific occupation.

# Jobs Held by DECA and COE

Are you tired of looking for jobs and always getting the run around? Why not join DECA or COE and enjoy the benefits of a job while receiving school credit? These programs give students the opportunity for one the job experience plus the added incentive of money!

DECA deals primarily with students interested in selling. This year students were placed in positions such as saleman, clerks, etc. Participating in the state-wide Leadership Conference, DECA students from Westwood won many honors.

COE students are involved in areas dealing with Accounting, Secretarial work, and Bookkeeping. Coe sponsored a Christmas family this year along with other projects for needy people in the community. All in all Coe and DECA did a fantastic job this year.

# Thespians Display Talent in "Ten Little

Indians"

One of the excellent organizations here at Westwood was the Masque and Dagger Club, which was sponsored by the drama instructor, Mr. Jay Dean Jones. During the 1971-72 schoolyear, the Thespians displayed their talent in the mystery play "Ten Little Indians" on November 17 and 18, 1972. The next production by the newly formed Performing Arts Department was the ever popular comedy "You're a Good Man Charlie Brown" on March 1-4, 1972. Of course the thespians have been active in various school, church, and community productions. They have also been active in Mesa Musical Theaters very successful summer shows.

## "Live for Christ" Is Purpose of CYA

In the past years a large number of people have become involved in what is known as the Jesus movement. Here at Westwood, one of our top clubs this year was the Christian Youth of America, where students came to a better understanding of their religious and moral attitudes. The CYA began the year by sponsoring a youth rally at Shepherd

Auditorium. As many as 1,000 people attended and the rally was a great success. The club took top honors during Thai-Chee-ee Week. They organized can food drives, car washes, and bake sales to raise money for families in need. They have been extremely successful this year and their motto and main purpose is "Live for Christ."

Dance Club Performs Spring and Winter

Concerts for All

What large club on campus is composed of extremely vivacious, agile young ladies? Westwood is proud to claim Dance Club as one of her most exciting clubs.

During the year, dance club sent representatives to the annual A.S.U. Dance Symposium. Here they met with fellow dancers throughout the state and shared ideas and techniques. A guest teacher from Utah was featured at the symposium.

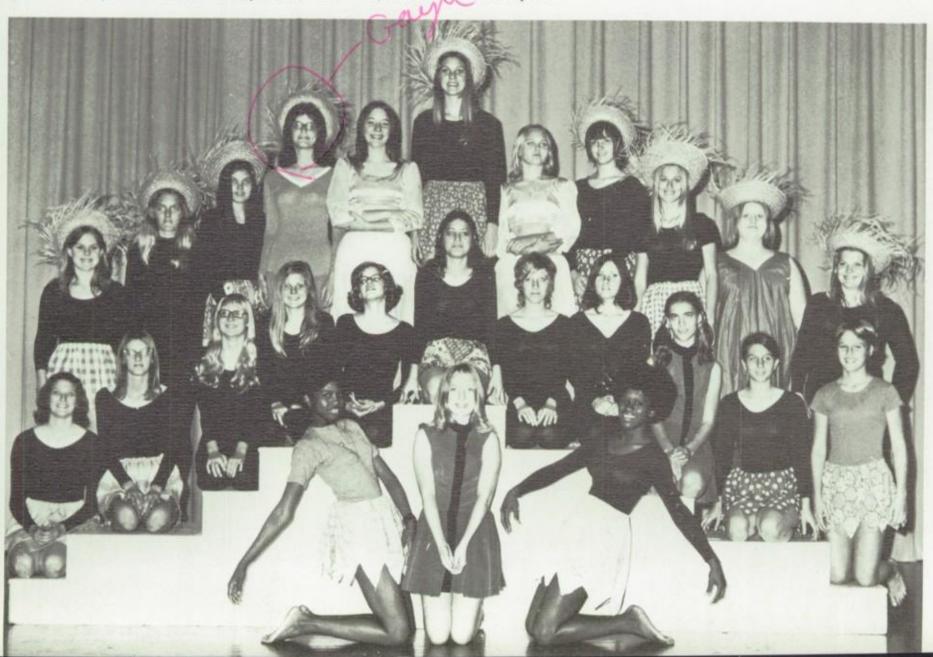

The main goals of Dance Club were to produce two dance concerts during the year for the enjoyment of the public. The smaller winter concert entitled "Look Into the World of Dance" highlighted an abstract dance number which involved the performers dancing on a set consisting of giant windowpanes. The club performed DeGrazia's interpretation of the zodiac in their larger spring concert. Both concerts were well performed, very enjoyable and a good display of the club's ability.

Displaying their grace and balance are dance club members Connie Gullatt, Diana Fetters, Susie Ryder and Sandra Huber.

## Have a Very Productive School Year

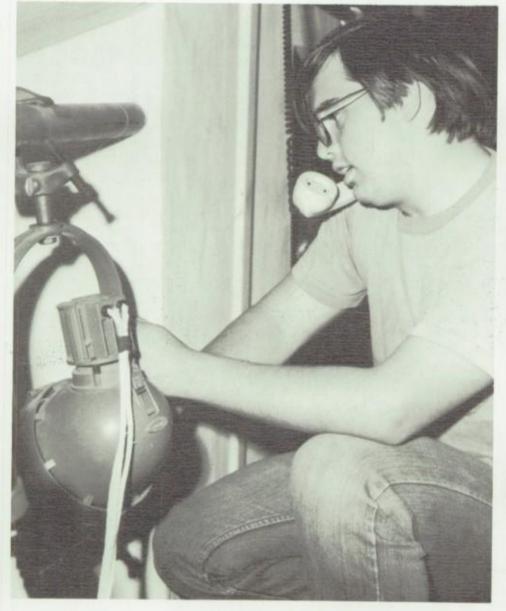

"Strike three! Your out"! Sounds from a boys baseball team? No, it's the Girls' Athletic Association playing just one of the many sports sponsored. GAA is open to all girls who are interested in sports.

Besides offering sports the girls do various activities to boost spirit. For example, decorating the goal posts.

Lights! Action! Thats what Westwood's fantastic stage crew sets up before each assembly. For without the help of these few devoted people our assemblies would be an absolute mess. Thanks!

## Foreign Language Clubs Are Moving Ahead

Latin a DEAD language? No way! Westwood's small but powerful Latin Club worked throughout the year to revive this ancient language. Through various projects they familiarized themselves with the intriguing Latin culture and gained valuable insight into the Roman civilization.

Action was the key to this year's German club. Broken down into four independent groups more students were able to participate. German club members were evident everywhere during Christmas, Night on the Town, and language week. The highlight of their year was a state German convention held in Tucson, Seig Heil!

Viva Espanol! Assisted by Mr. Baldwin Spanish students delved into the fascinating world of bullfights, tortillas, and fiestas. The rich, colorful traditions of our neighbor Mexico were brought to life by this year's dedicated Spanish students.

# Trash for Cash and Pig Sty High Week Benefit the School

"Ooo-la-la!" say these French Club members as they look at the intriguing pictures compiled in a scrapbook from France.

A car wash, baking and selling cookies, and trading "trash for cash" at Park and Swap were just a few of the ways the enthusiastic members of the French Club raised money for Scholarships. Under the guidance of Mrs. Norman, their sponsor, they met every other week to plan these activities. However, it wasn't all work for the club as they enjoyed Christmas carolling at different hospitals and exciting parties. Belonging to the French Club sounds tres interesant, N'est pas? Mais, oui!

Anti-Litter League provided students an opportunity to join a serious effort in combatting pollution. During November they sponsored a school-wide Pig Sty High Week in an attempt to make the students aware of the litter problem on campus. During this week, no litter was collected until a mass clean-up was held. Later in the year, they held extensive Earth Day activities. The club was awarded the "Fred M. Garbage Award" for outstanding environmental work.

## Nowsville Choirs Boosts Our Pride

Under the directions of Mr. Davidson, our colossal Concert Choir sailed through many activities and programs this past year. In the fall they originated Hi and Smile Week where each member spread a little happiness to our school. Singing in the State Hospital proved both exciting and interesting while Canticle in Carols enhanced the Christmas season with its true meaning. Nevertheless, the main highlight of the year was packing up and heading for the northern pines for an exciting once in a lifetime tour!

Our Sophies did it again! Under Mrs. White, our supersweet Sophomore Singing Warriors sang their way into Westwood's hearts. Yes, these tremendously talented young men really proved to be an excellent group of youngsters and another team to be proud of. This group also had the fine opportunity of going on tour and assisting with Canticle in Carols. All in all they were really a great chorus to be proud of. Keep it up boys!

The student body of Westwood was presented an unexpected treat this year as our Apache Band proved to be the best ever. Marching in the Westwood-Chandler game, and at the homecoming game, the Apaches became the first J.V. band ever to receive a Varsity booking. Besides entertaining Westwood, they began a concert season on February 17 and performed throughout the community. A great help to the band this year was ASU Band Director Bob Crump. By instructing the Apaches in a variety of marching techniques and giving a few lessons to the drum major, he shaped our Apache Band into one that proved to be better than some varsity bands.

"Smile on your brother, everybody get together, try to love one another..." Concerned about racial understanding at Westwood, students initiated "Ebony Club" this year, dedicated to promoting racial understanding throughout the school and community. Let's get it together. Meeting each week these sincere young people fulfilled their motto-"Let's get it together."

## Organizations Promote Entertainment

"S" Club contributed much of its time and service in raising funds. Ushering at orchestra concerts, having bake sales, and selling mums, were only a few of the projects they sponsored during the year. They adopted a child in Brazil with some of their funds, and on Thanksgiving, provided a number of families with turkey and all the goodies. During the Christmas holidays, these enthusiastic girls gave a complete Christmas to a needy family. Later in the year, they sponsored a fashion show and gave the donations to underprivilaged children.

The fantastic Stage Band livened up our assemblies with its fabulous music. All of the members put forth much of their time and effort in preparing for each of their performances. They were able to play for our Junior Miss Pageant, and also played in jazz festivals at East High School, and Northern Arizona University.

Playing the trombone fantastically, with a sweet and low tone and an occasional super loud vibe is Delwin Stapley.

Small but mighty would be one way to label Westwood's new Spirit Club. It was organized to create and promote more spirit. They made their presence known at all the sports activities by setting up their own cheering section complete with deafening warhpops and bright orange flash cards. Painting the sidewalks for Mesa-Westwood Week was another club project. Their enthusiasm and loyalty was com-

"Action" was the key word behind the Student Action Committee this year. Maybe you saw the newly painted restrooms or the litter-free lawns sometime during the year. These projects are both the work of the SAC. They also sponsored a novelty booth for "Night on the Town" and gave the profit to charity. Perhaps their most important achievements were made when they were working with the Student Council to make beneficial changes in our school. Even though it was a new club, the members contributed considerably to the improvement of Westwood.

## Pom Line and Cheerleaders Help Create

Excitement, Spirit

Great spirit, an optimistic view and unrelenting enthusiasm were all qualities of this years cheerleaders and pom pom girls. Through all our football and basketball games these Warriors cheered our team onward, never loosing faith when things looked bad.

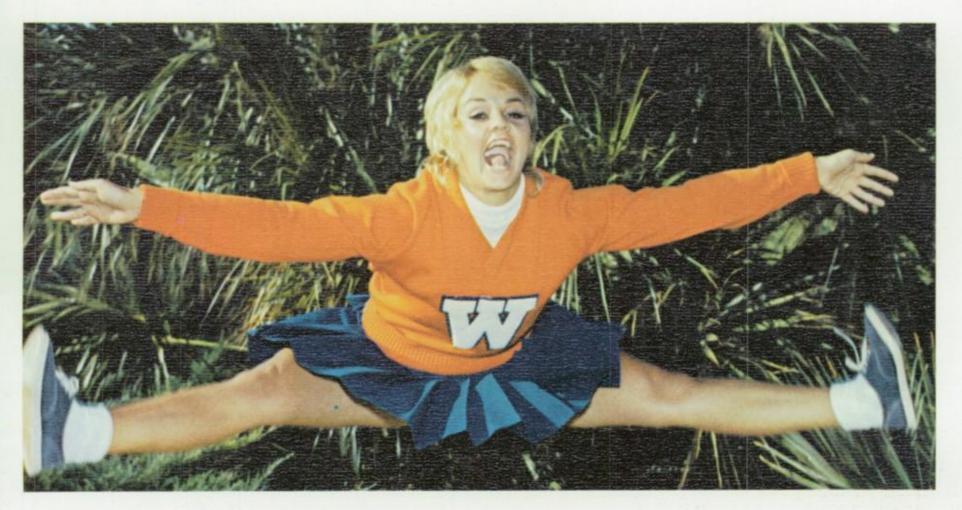

Coached by Miss Bixbi, the cheerleaders and Warrioretts worked hard in perfecting their cheers and routines. In fact, this past year the Warrioretts held practices during A and 1st period with the band, besides the after school practices till five on Mondays, Tuesdays, and Thursdays.

Also, to promote spirit, the Warrioretts sold cookies every other Wednesday in an effort to help raise funds for the scholarship fund for Pom Camp. They attended Band Day on Nov. 6 and went to San Diego with the band in May. Lets thank them for making Westwood great!

## Band, Honor Choir Take Kudos in West

Selling candy, holding rummage sales, and collecting stamps were just a few of the ways Westwood's Varsity Marching Band raised enough money to attend the 1972 Western Band Competition in La Mesa, California. Under the direction of Mr. Joe Lloyd, Westwood's band was selected as one of the top ten bands in the West. Spirited sounds and lots of talent characterized WW Marching Band this year. Leading the student body in the fight song, accompanying the cheerleaders with their soulful tunes and presenting outstanding half time shows, led to making our band number one.

A group of select seniors was chosen this year to make up the Westwood High School Honor Choir. This years activities consisted of an exciting tour to Ajo, Arizona. Christmas concerts and a special concert with Ross Carmichael at ASU. They entered the ASU Festival receiving a superior rating. The group under the direction of Mrs. Elizabeth White performed many concerts before small groups and clubs. Both the Band and Choir had a fantastic year!

Interested in holding an office in your own city or even becoming governor? If so, then Girl's or Boy's State is for you. Girl's and Boy's State were just two of the workshops held this past summer, and was geared to students who were interested in learning about government proceedures. How? A mythical state is formed, officials elected and then run for a week. By participating in this the student learns that he has

I came from a country which is smaller than the state of Arizona, much smaller, but only in size. I learned a lot about the United States of America and I offered all I know about the Greek nation. I saw an America as I expected to see. I faced the problems which before were only words for me. America was the supernation. It reached the top, on which Greece was for more than a thousand years. Everything new and unbelievable can be seen in America. America and its youth is different from the European. There are the hippies, the Jesus people and the Americans. All these people must unite after a number of years when they'll be the responsible generation. Will they do it?

Due to American laws, John will have to wait to cycle ride until he returns to his homeland of Greece.

During this year there have been fun and easy days which I won't forget, but the days in which I have learned and grown the most were the difficult ones. I saw no more than a mass of indifferent people. But you have also given me the chance to live wonderful days when I met people interested in life and indifferent to race, religion, or appearance, days when I saw beautiful canyons and poor Indian villages. These days have given me faith in life, for they made me believe that there is something and someone in the world to live for. Hasta siempre.

# High Honors Gained by Aust and Clark

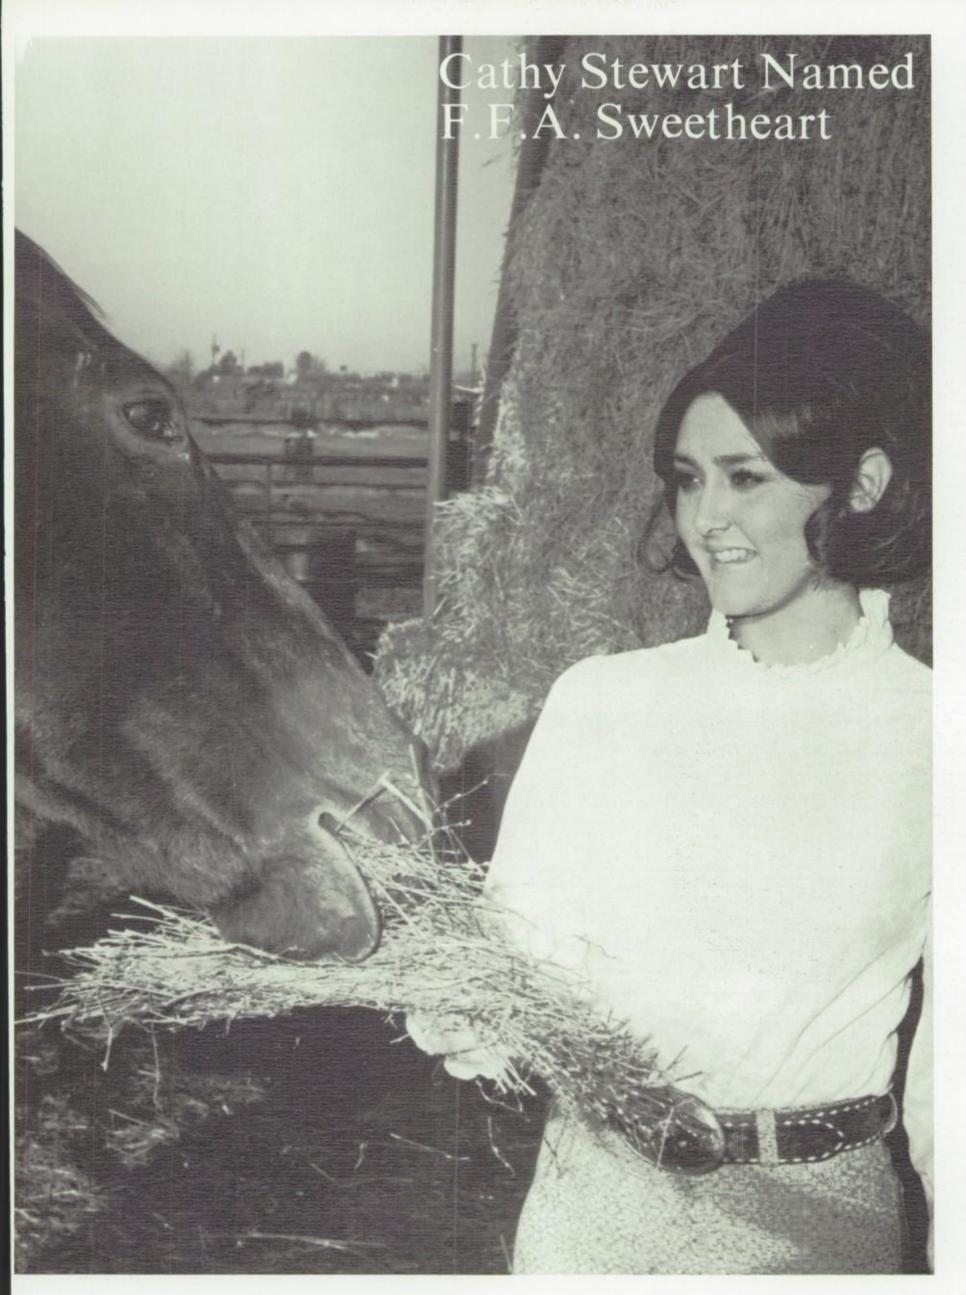

Achievement! Thats one of the things that makes Westwood great. The fact that someone works hard enough and by doing so brings his fame to be a part of Westwood. Two such people are Terri Aust and Robert Clark.

Terri has accumulated 55 ribbons and medals along with 140 trophies. This past year she was first-runner up in Miss Majorette of Arizona, Most Beautiful Majorette in America, National Fancy Strutting Champion and 8th in the National Championship solo.

Robert Clark participated in the National Merit program. He took the qualifying test and was in the top 2%. He then went into the semi-finals.

## Seniors Glorified Through Contests

Each year Westwood students participate in various contests dealing with academics, homemaking, and school, as well as public services.

During each school year the Elks Club presents two Youth Leadership Awards. Contestants to this outstanding program must submit forms outlinging their participation in school and community projects. Grant Woods and Nancy Annala took both awards from the Mesa-Chandler district. They won money for their education and will later participate in a state contest.

One of the biggest honors a senior can earn is that of being a winner of the Junior Miss title. In this contest girls compete in acadmics, talent, and poise. Christy Strauch won the title for 1972, while Becky Riggs came in as runner-up. Silvia Martinez, also of Westwood, earned the physical fitness trophy.

Liz Standage won the Arizona-Nevada competition in the annual "Make It Yourself with Wool" contest. Westwood seems to have many talented students to be proud of!

## Tau and Strauch Earn Top Scholastic Awards at Westwood

Four years of intensive studying and hard work were climaxed for Mark Tau and Christy Strauch upon earning the honor of leading the class of 1972.

Valedictorian Mark Tau accumulated a grade average of .914, the highest in a class of 784 seniors. Reviewing Mark's outstanding achievements in the areas of scholastic achievement, citizenship, service, and athletics, one discovers a unique individual. A delegate to Boy's State, member of National Honor Society, Christian Youth of America, Varsity Track, Varsity Cross Country...and the list goes on.

Coming in a close second was Saluditorian Christy Strauch, another outstanding individual at Westwood this year. Establishing high goals and pursuing them diligently led Christy to success in a variety of areas: Honor Choir, Orchestra, Honor Band, Girl's State, Student Council, National Honor Society, and Mesa's Junior Miss. Congratulations to two deserving students.

The remainder of the top ten were Babs Purvis, Joyce Willis, Jane Brower, Karen Pruitt, Richard Newth, Robert Clark, David Pew, Cindy John, Venice Brinkerhoff, and Diane Yerkes.

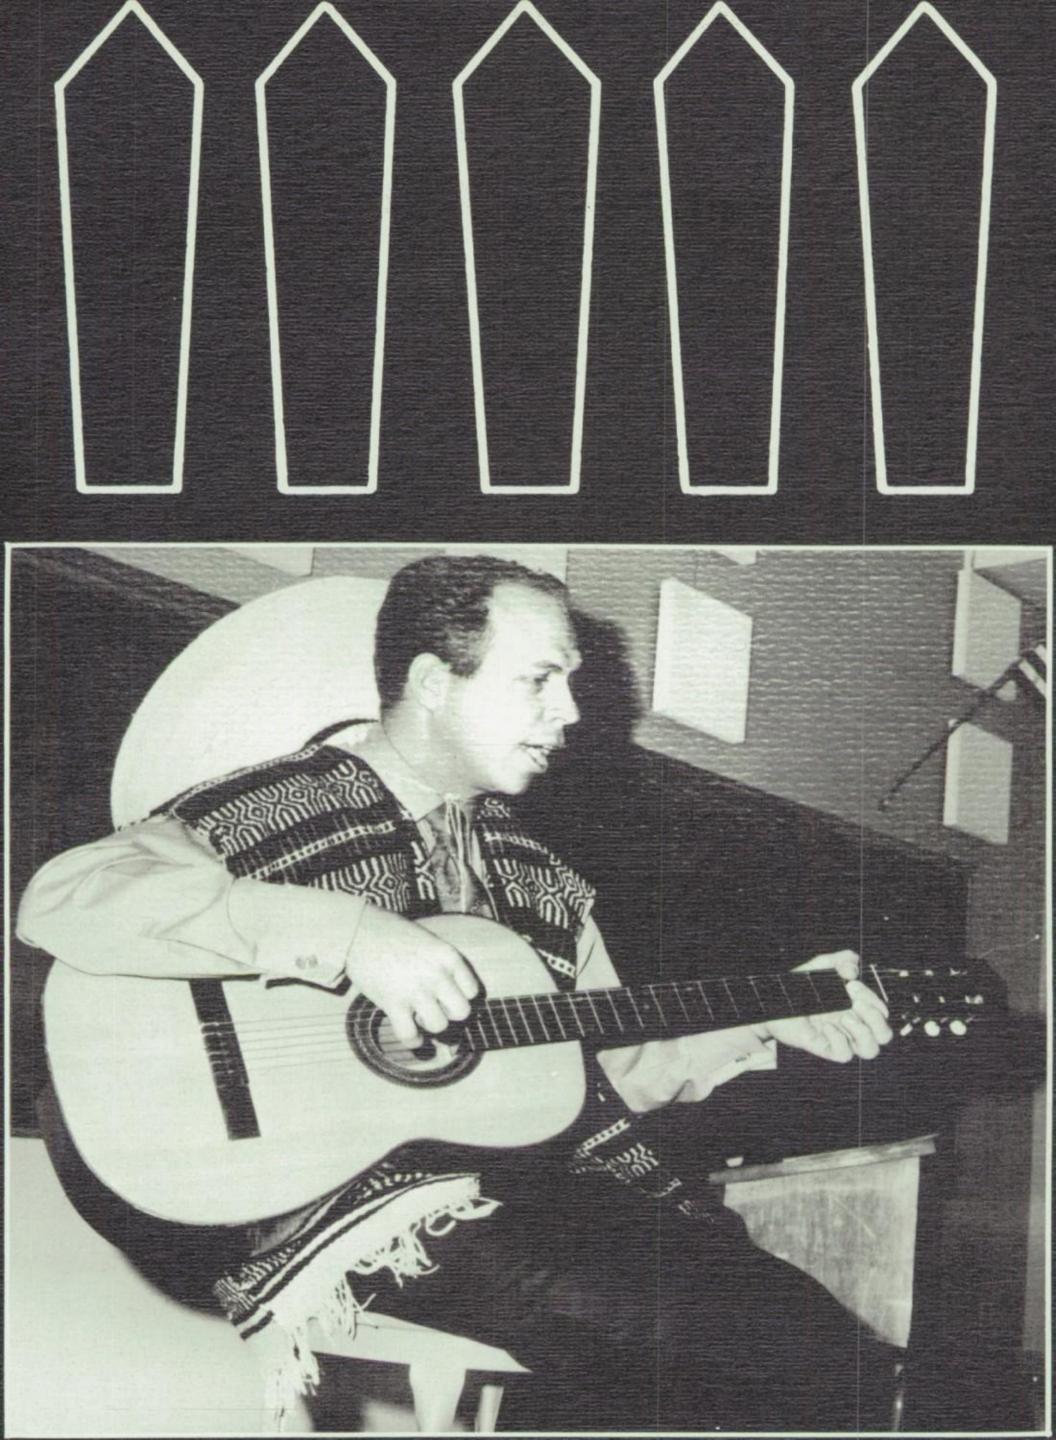

A society of students placed scholastic achievement, citizenship, service, and good character above all else. This year the National Honor Society strove to attain their goals and serve the school at the same time. David Pew led the organization with Peter Taylor as his Vice-President. Karen Pruitt served as secretary and Joyce Willis handled the financial end.

#### Students Display Zest in Classwork

"Let's see, there's the cerebrum, medulla, ooo, what's that?" Simon's Skull gets a working over by Dick Bessey and Mary Shelley in Pico's Psych. class.

Above, Big Al Lisonbee puts forth his teaching efforts as Margie Engel looks on with an encouraging smile. This is just one example of the students obvious interest in class.

"Happiness is playing in the snow instead of going to school!" Says the smiling Kathy Grutzmacher, Leslie Jannasch, and Terri Talerico, as they deliberately destroy all the snowmen put up by other kids. Seniors always manage to make the most out of their spare time.

1971-1972,

a year of searching . . . for you the individual. Seeking out new knowledge, meaningful experiences, warm relationships, and greater insight. A year to establish your values, your goals, and decide just where your life is going.

a year of change for Westwood. Many old traditions gave way to new interests, wider community involvement, and more relevant student activities. A new dress code, a reestablishing of values, more student participation in policy decisions, paved the way for future action.

Last summer when this yearbook was being planned, we had a lot of high ideals, a lot of dreams. We wanted to create a memory that would represent each group, each individual on campus. Innocent illusions soon made way for realities; long hours, frustrations, and the realization that you can't satisfy everyone. But we tried ... and we sincerely hope that this yearbook will provide you with an enjoyable reference in the years to come.

Looking as though he's putting all he's got into his jump is Brian Faele as one of the student coaches watches closely.

Above pole vaulters Maclene Rogers, Mike Steiner, and Darwin Anderson congratulate each other on outstanding performances at the Tribune Relays. At Right is Junior Varsity hurdler Kevin Horn, who put out a fantastic effort through the year.

Is it a new dance? No! It's Tom Sumpter showing his fantastic skill in the shot put. Tom did a GREAT job all season.

Spikettes, Top Row-Stephanie Meyer, Val Patterson, Debbie Moody, Kris Schwalbe, Stephanie Millett. Middle-Sherri Arrington, Kathy Kimball. Bottom Row-Sharon Luebke, Debbie Luebke. Not pictured, Sue McCreary, Terri Talerico, Shelly Bournhouser.

Our 440 relay team broke records in almost every meet they were in. From Left to Right they are Dwaun Stewart, Steve Levitt, Dale Connolly and Cary Collins.

Speedy Dale Connolly starts his leg of the mile relay. Dale set many records in the 220 and 100.

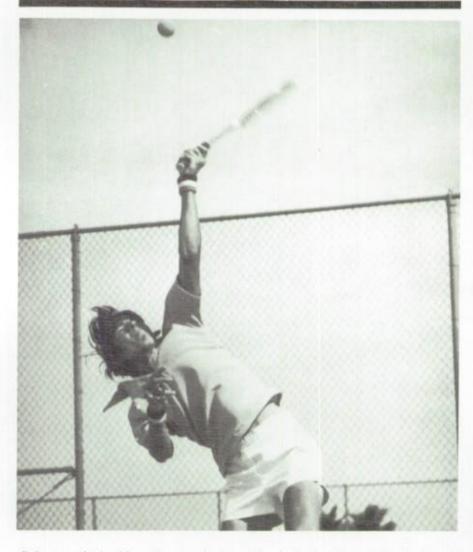

Above: With a look of dire determination, Girl's tennis player, Karen Pruett lunges forward to meet her next shot. Below: Number 1, Mike VanZephlin, displays perfect form as he demonstrates the intricate steps of the backhand stroke.

## Tennis Season Has-Up

It has been said that a good tennis player is one that looks like he's putting forth the least effort. Maybe that's what happened to our tennis teams this year—they were trying too hard?! Even though they found themselves on the short end of the score more often than not both teams are to be commended for their long hours and hard work on the courts.

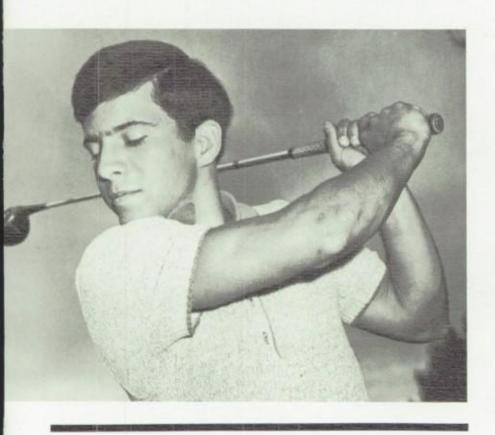

Westwood golfers ended their season with an impressive 10 win, 4 loss record. Now they can look back on the murderous days in the hot sun and know that it was worth it. Both golfing and tennis stress individuality. When competing, one must depend on himself alone to come through victorious. The golf team rallied to meet the demand put on them and won most matches.

"Get on you mark-set-GO!" shouts Coach Craig Cummins as he times the swimmers to see who will qualify for the state meet.

With mouth open and eyes closed, Jeff Nelson takes a deep breath before he flips the turn to swim one more lap to victory.

Announcing for the tankers is Mr. White. Helping him keep everything straight is Bev Dennis and Jeff Hamstra.

Showing his great form and ability in the butterfly is Don Hendrix, Westwood's Number I tanker. Don also swims freestyle.

Swimmaids:Standing-Diana Porter, Cindi Lott, Janet Chapman, Donna Palowitz, Linda Wintersteen, Bev Dennis, Cheryl King, Joy Dutcher. Mid-

dle Row-Regina Straight, Gwen Shipe, Kathy McCleave, Kris Schwalbe. Front-Chris Enos, J.Bunker, R.McCleve, C.Vegh, L.French.

"You're a boy? You have got to be kidding!", says comedian Mark Bradshaw to this concerned youth, David Doud.

"Stay tuned, we'll be back with more exciting guests," says Randy Hipke as he looks enthusiastically at his audience.

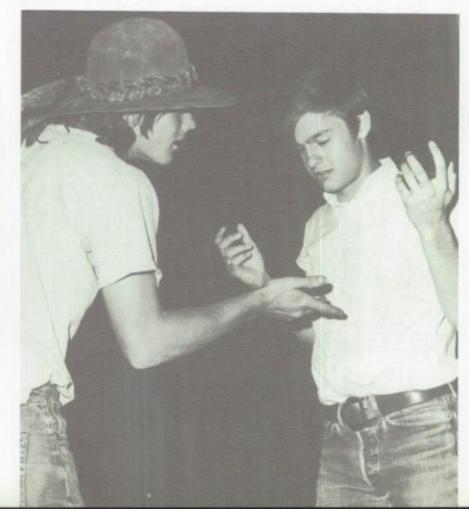

"One o'clock, two o'clock, three o'clock rock...", sings teen favorite, Flash Cadillac, played by Chipper Combs.

### 12-CLASS PLAYS

# Senior and Sophie Class Plays Excite Student Audiences

Above: "One for all and all for one, all for Moose Club! augh-augh" Craig Horner played the leader of the mooses. Below: "Come on, this Puppy Love song has got to go. Hand over that blasted radio," says Bill Kohler to Brent Ellsworth.

"Oh Blyde," pleads Connie, "You can't leave me like this!" Connie Flake and Steve Gainer played the lead roles.

"All right—I've had enough out of you Connie!", says secret agent Paul Ellsworth as he reveals his manly body.

It was definitely true love shown in the eyes of Kristi Clubb and David Jones, as they sang "I'd Do Anything".

Above: "Hey baby, whatcha doing tonight?", says Geannie Pozar, one of the very sexy bar room dancers in the play. Below: This cutie was the cause of all the love in the Sophie play. Ross Farnsworth truly makes a fantastic Cupid!

## Student Campaigns Spiced by Colorful Signs and Speeches

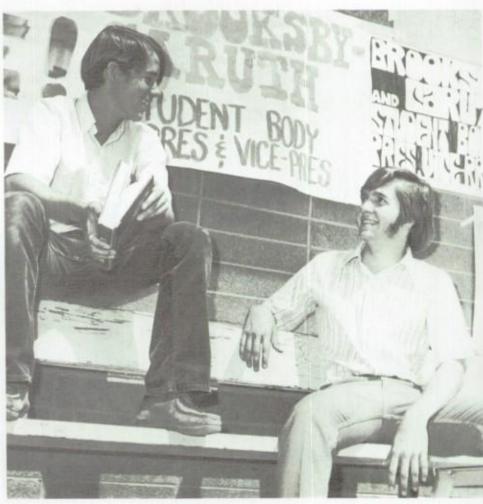

Above: Elections is a time of odd speeches and Janet Chapman's "shoe" was successful in pulling in votes for Organizations Director. Below: "Don't get it in my hair!" exclaims Kris Bailey as Julie Jenkins plasters her with a campaign sticker.

Above: "I need your help!" pleas Julie Wright as she delivers another one of her original speeches. Below: Bret Caruth and Craig Brooksby broke the tradition by running on the same ticket.

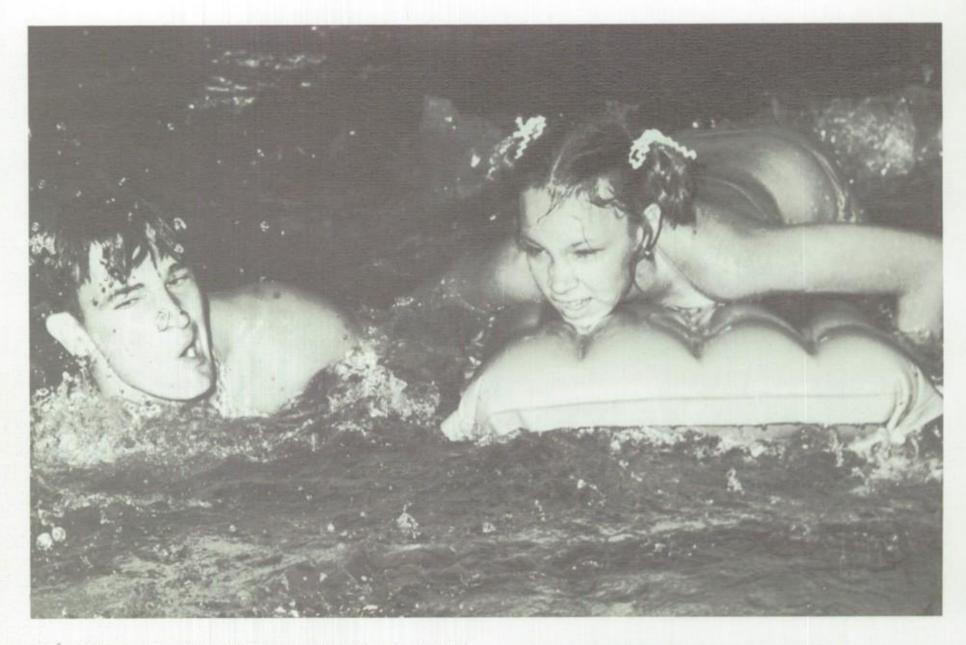

Above: Working hard to pull in more votes is Phil Stapely. Top Right: "I want the job" says Theresa Kuhse as others listen intently. Below: Lending a hand for Mike Hardwick's campaign is Brian Peterson. Bottom Right: During the elections assembly Adele Hatch rocks in votes with her swinging speech.

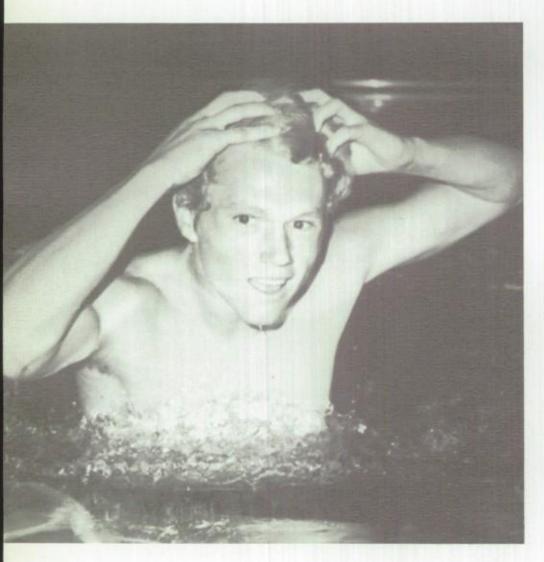

Above: Believe it or not, "We tried, but we couldn't do it" proved to be a popular saying among the Sophies at the Wahoo-Pahoo, as shown here by these two Sophomores. Below: "Hey! They told me Wilhold glue would hold anything!" screams Scott Smith as he tries to avoid flipping his wig.

"Three more yards to go" exclaims a "horse" Debbie Jackson during the ever-so-popular pogo stick race.

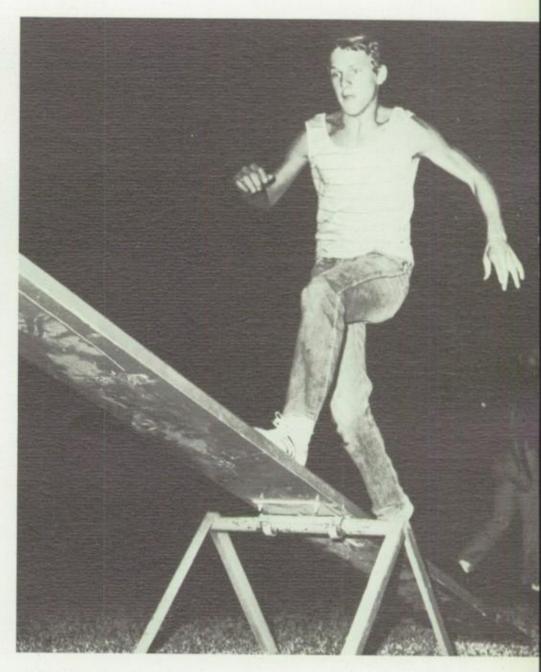

16-SPRING ACTIVITIES

## W.W. Class Events Show Warrior Spirit

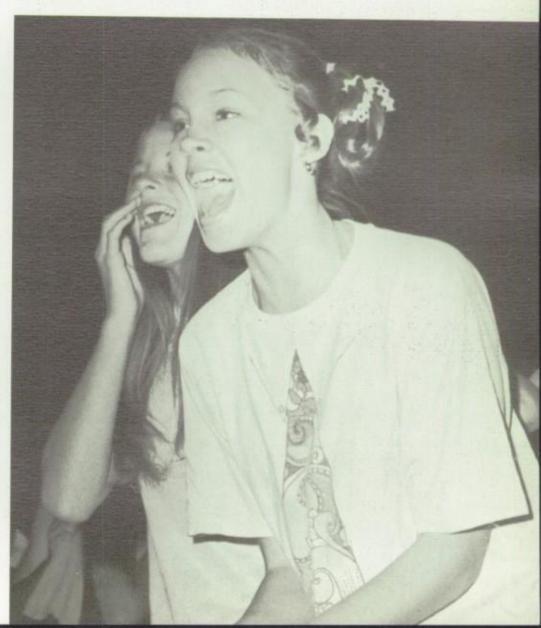

Above: It appears that the score sheets aren't the only figures that Mr. Merrill is checking out at the 1972 Wahoo-Pahoo! Below: "I'll break every bone in your body is you lose this race!" peacefully screams a calm and gentle Mary Bingam.

Above: It's a proven fact that what goes up must come down. At least this fun-loving warrior hopes so! Below: "COME ON!, Just a little farther!" cheer exhilarated Theresa Gardner and Marlene Bunch at our super-fun Wahoo Pahoo.

Above: Stunning Susan Tinnefeld climbs into the flashy summer scene. Below: "I see Lou, Roy, Dale, and even Steve Barham and his wonder horse!" exclaims an astonished Ivan McLaws. What will he think of next? ...or who will he fall in love with next?

Above: The extremely talented Christy Strauch once again portrays a striking Pied Piper with her magical flute! Below: While flashing a sparkling smile Chris Miller manages to model the latest in spring fashion in the COE fashion show.

## Senior Varieties and Club Fashions Bring Spice to WHS

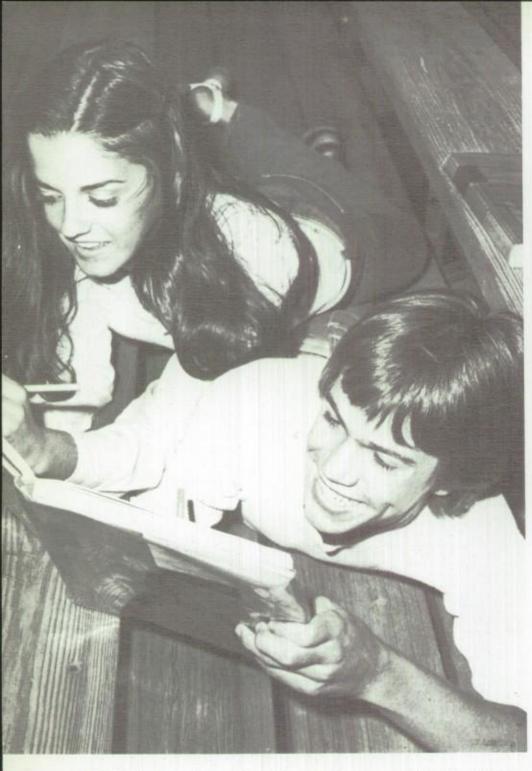

Beautiful and radiant Tracy Davis demonstrates that a smile is truly worth a thousand words during the exquisite "S" Club fashion show.

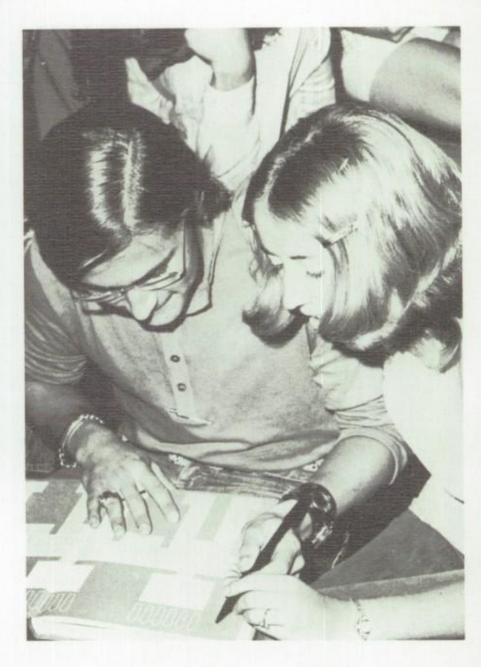

Above: "Is it really you?" asks the perplexed Robert Madsen. The only possible reply Grant Woods could mutter was, "Cross my heart!" Below: Swingin' Kelly Jones once again gets into the act, as she does her funky dance.

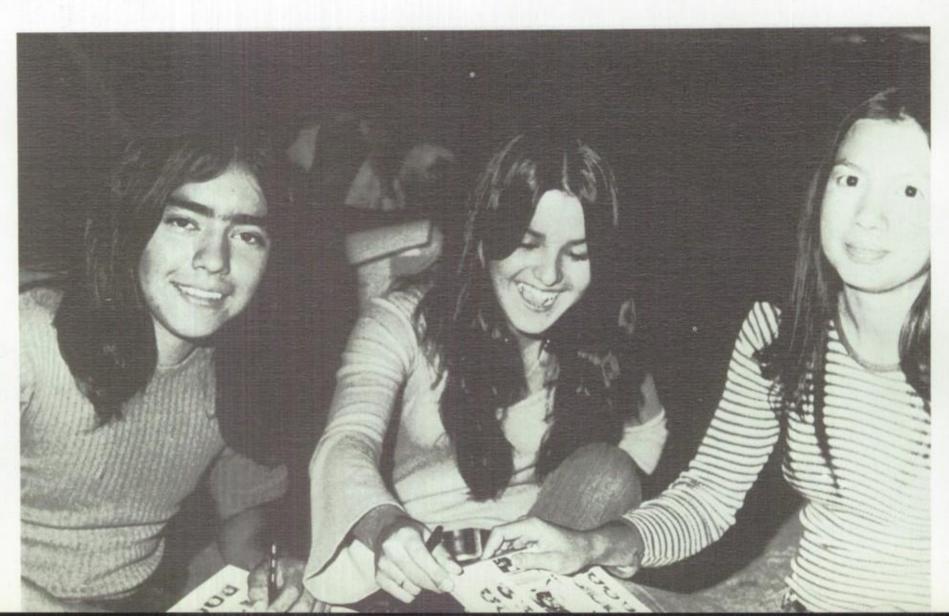

Senior Mark Bradshaw offers Diane Finlinson a comfortable position to insure a sweet autograph for his yearbook.

Above: Female Westwood Warriors are always willing to help, but please couldn't he write his own name?

Below: Enjoying one of Westwoods great parties these fun-loving warriors take time out to pose for one of our fine photographers.

## Autographs of Love and Friendship End the Best Year Ever

Signing his name and autograph by his picture is Ed Coleman, Westwoods fantastic 1971-72 drum major.

Biff Harris flashes a sexy smile as Tracy Davis, one of his many admirers, adds her name to the crowded yearbook.

Below: Westwood is known for its students intelligence, and these warriors are a great example of it. Pretty tricky!?

Dedicating the Chieftain Yearbook to Mr. Summers and Mr. Messali, is co-editor Kathy Grutzmacher.

Accepting the Instrumental Music Award for being an outstanding band leader from Joe Lloyd is Andy Vogt.

## Nancy Wins Warrior of the Year—1972

Crying for joy is Nancy Annala after being named Warrior of the Year. She did an outstanding job.

Receiving the Mutt Ford Trophy as the outstanding girl athlete at Westwood from Mutt Ford is Kellie Jones.

Making a deal with Mr. White is Senior Class President Grant Woods in preparation of giving the Senior class gift.

Above: A firm handshake is the proud acceptance of Tim Johnson for the Rulon T. Shepherd Award from Rulon T. Shepherd.

Below: Retired Westwood High Principal Elias R. Brimhall presents the E.R. Brimhall Sports Trophy to Andy Shumway.

A large trophy is presented to Valedictorian Mark Tau by the Mesa Super-intendent George N. Smith.

Above, receiving a Sewing machine from Penny's representative Carolyn Halling, is Marilyn Christenson.

## Graduation 1972— It Was Exciting!
